**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please do not take away competition. I chose to use another provider because they give me better add-ons, simplified billing and support. I get great service that would otherwise be worse and cost more! Broadband is critical to my home business and my ADSL2+ connection has been great. The incumbent does not offer this service therefore I would be forced to move to a more costly tier. Stop and keep the rules the way they are now!
